

## Laddertrays & Accessories

**Strong and secure, ladder trays are an ideal choice for long-range support across your cables. Ladder trays are sturdy, and provide high load ratings.**

We offer a comprehensive range of ladder trays and accessories to allow our customers the flexibility to arrange your cable support systems to be as effective as possible.

Burndy's ladder trays come in a range of sizes so you can fit it to your space. Our range also includes accessories for a flexible support system.

At Burndy Cable Support System, we provide premium quality materials that ensure a clean and safe cable system. We also have a range of fire rated products, ladder tray, cable ladder, cable mesh, cantilever brackets and accessories. We also offer an extensive range of engineering services and be-spoke solutions.
